EMOTIONS

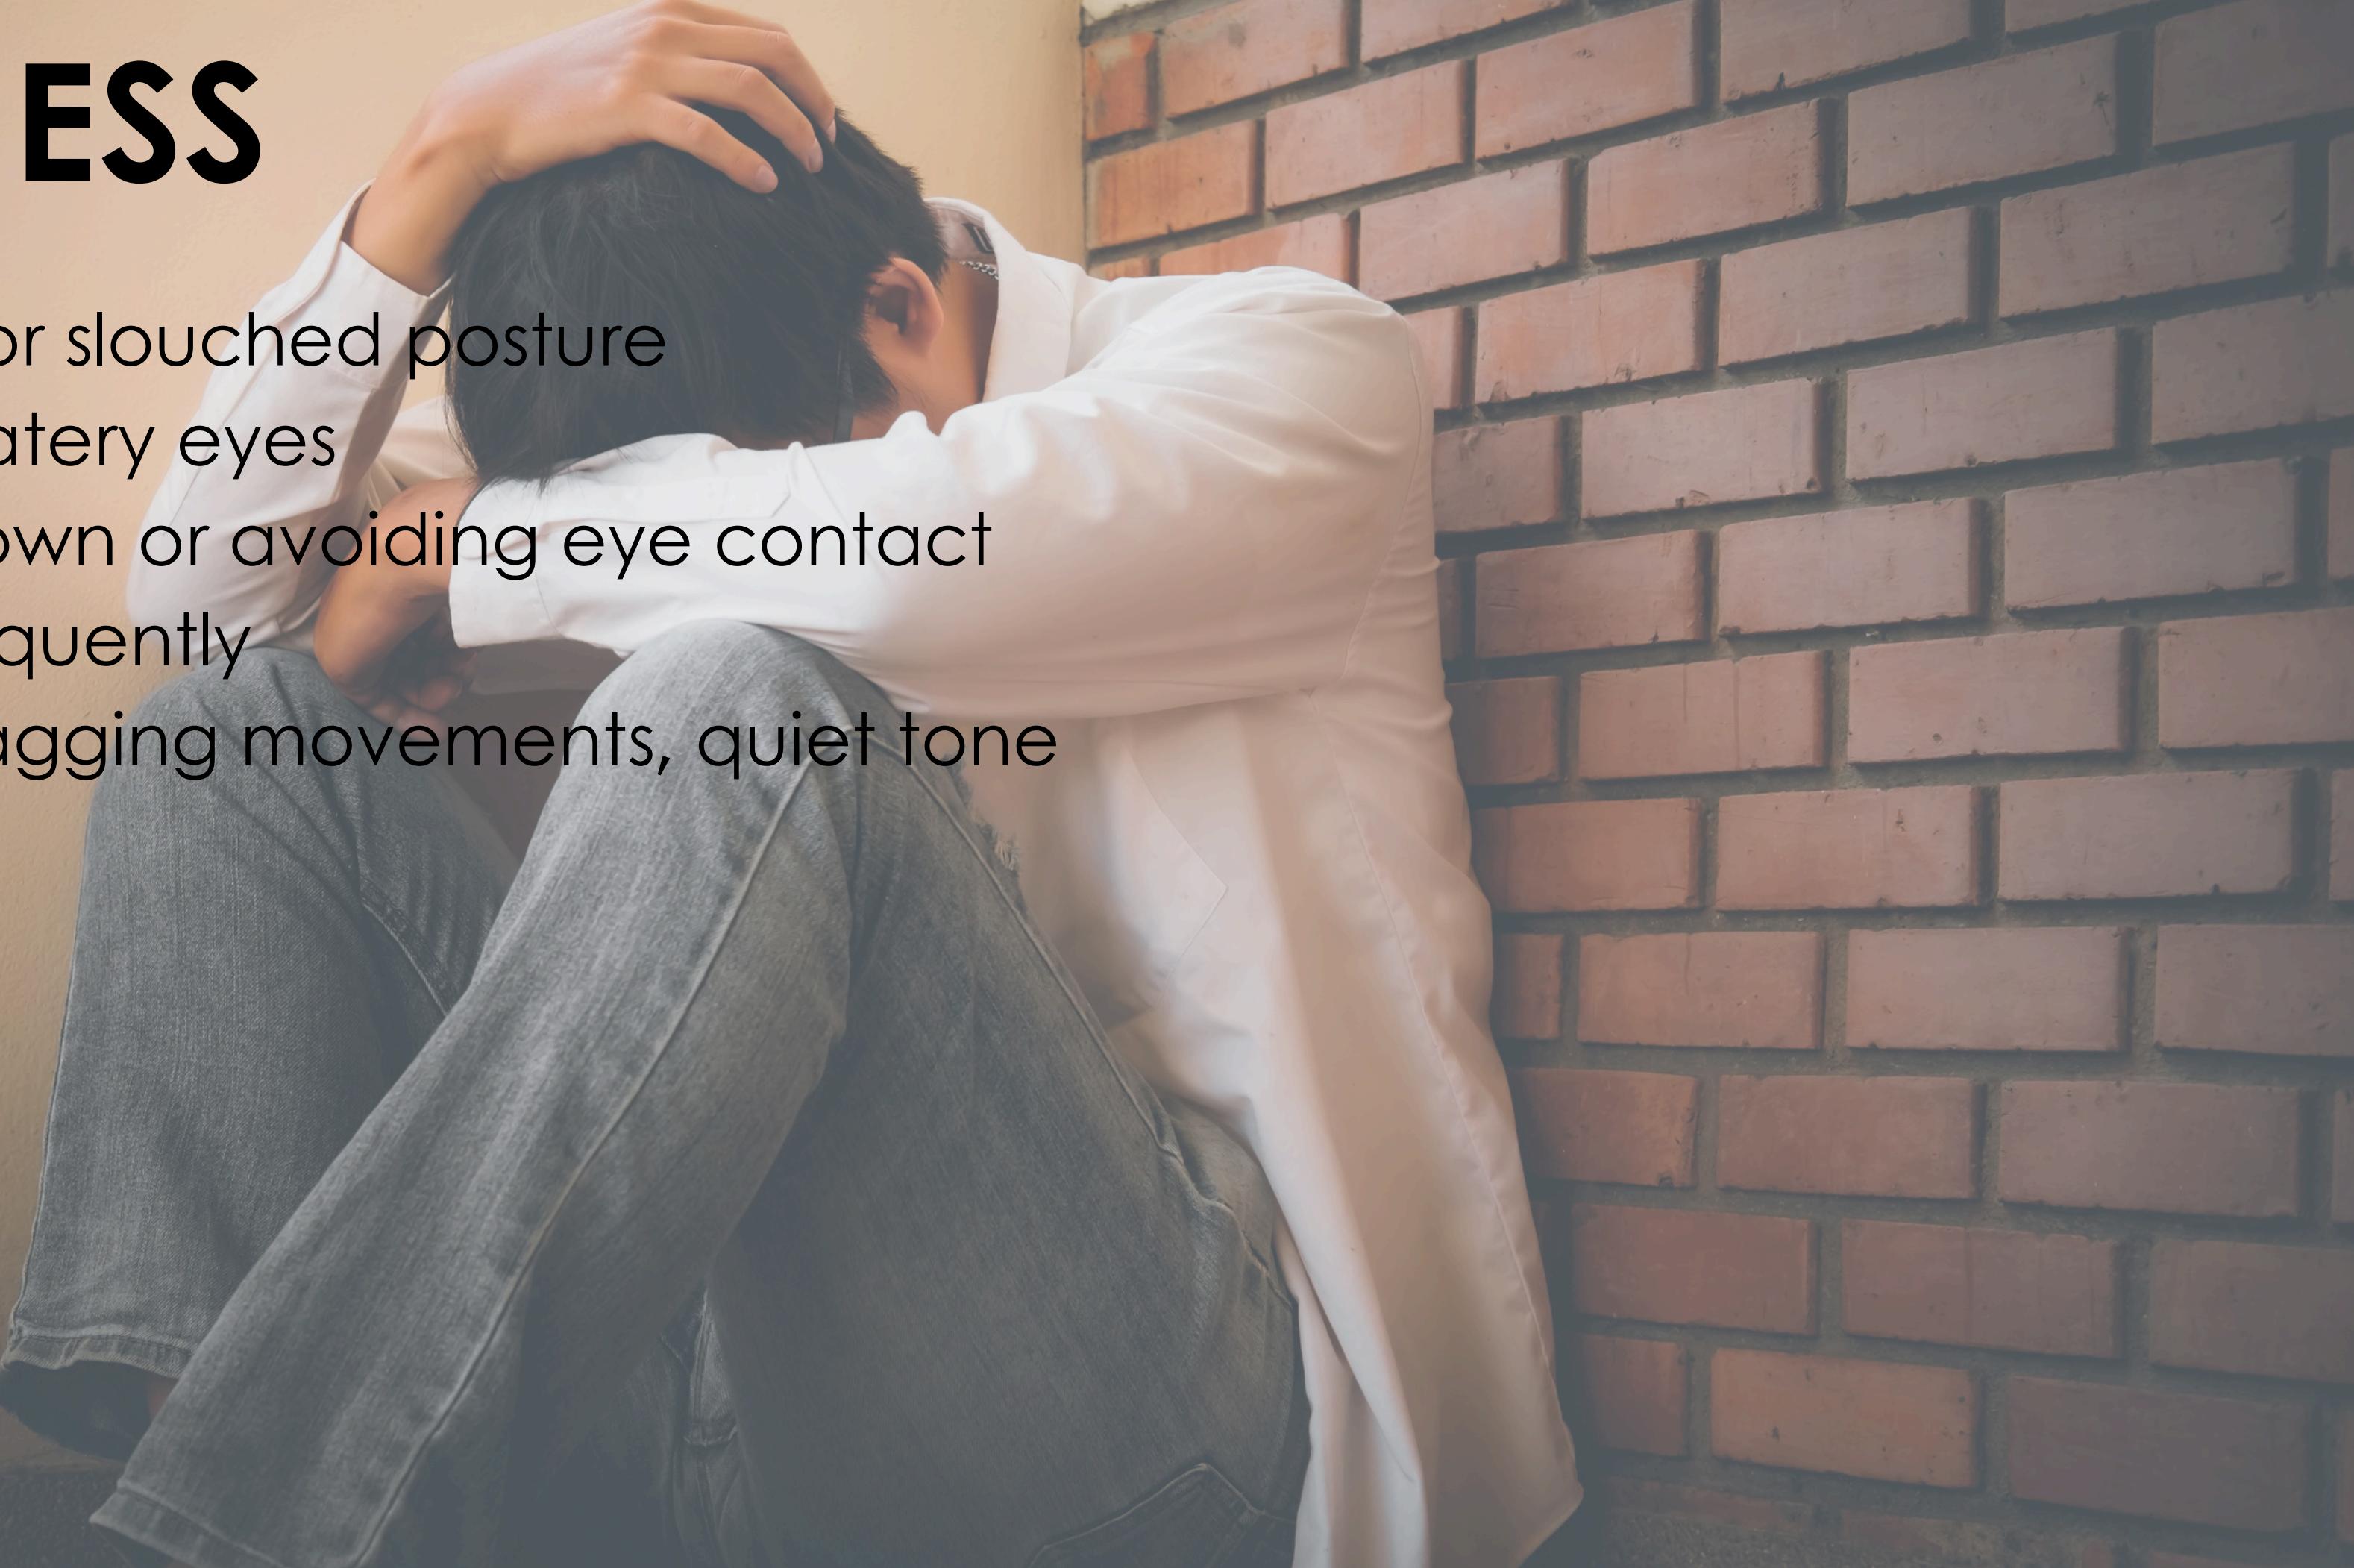

HAPPINESS

1. Smiling or laughing openly
2. Bright, wide eyes and raised eyebrows
3. Energetic movements, bouncing steps, or clapping
4. Open gestures like spreading arms or high-fives
5. Positive, lively tone of voice and fast-paced speech

SADNESS

1. Drooping or slouched posture
2. Tears or watery eyes
3. Looking down or avoiding eye contact
4. Sighing frequently
5. Slow or dragging movements, quiet tone of voice

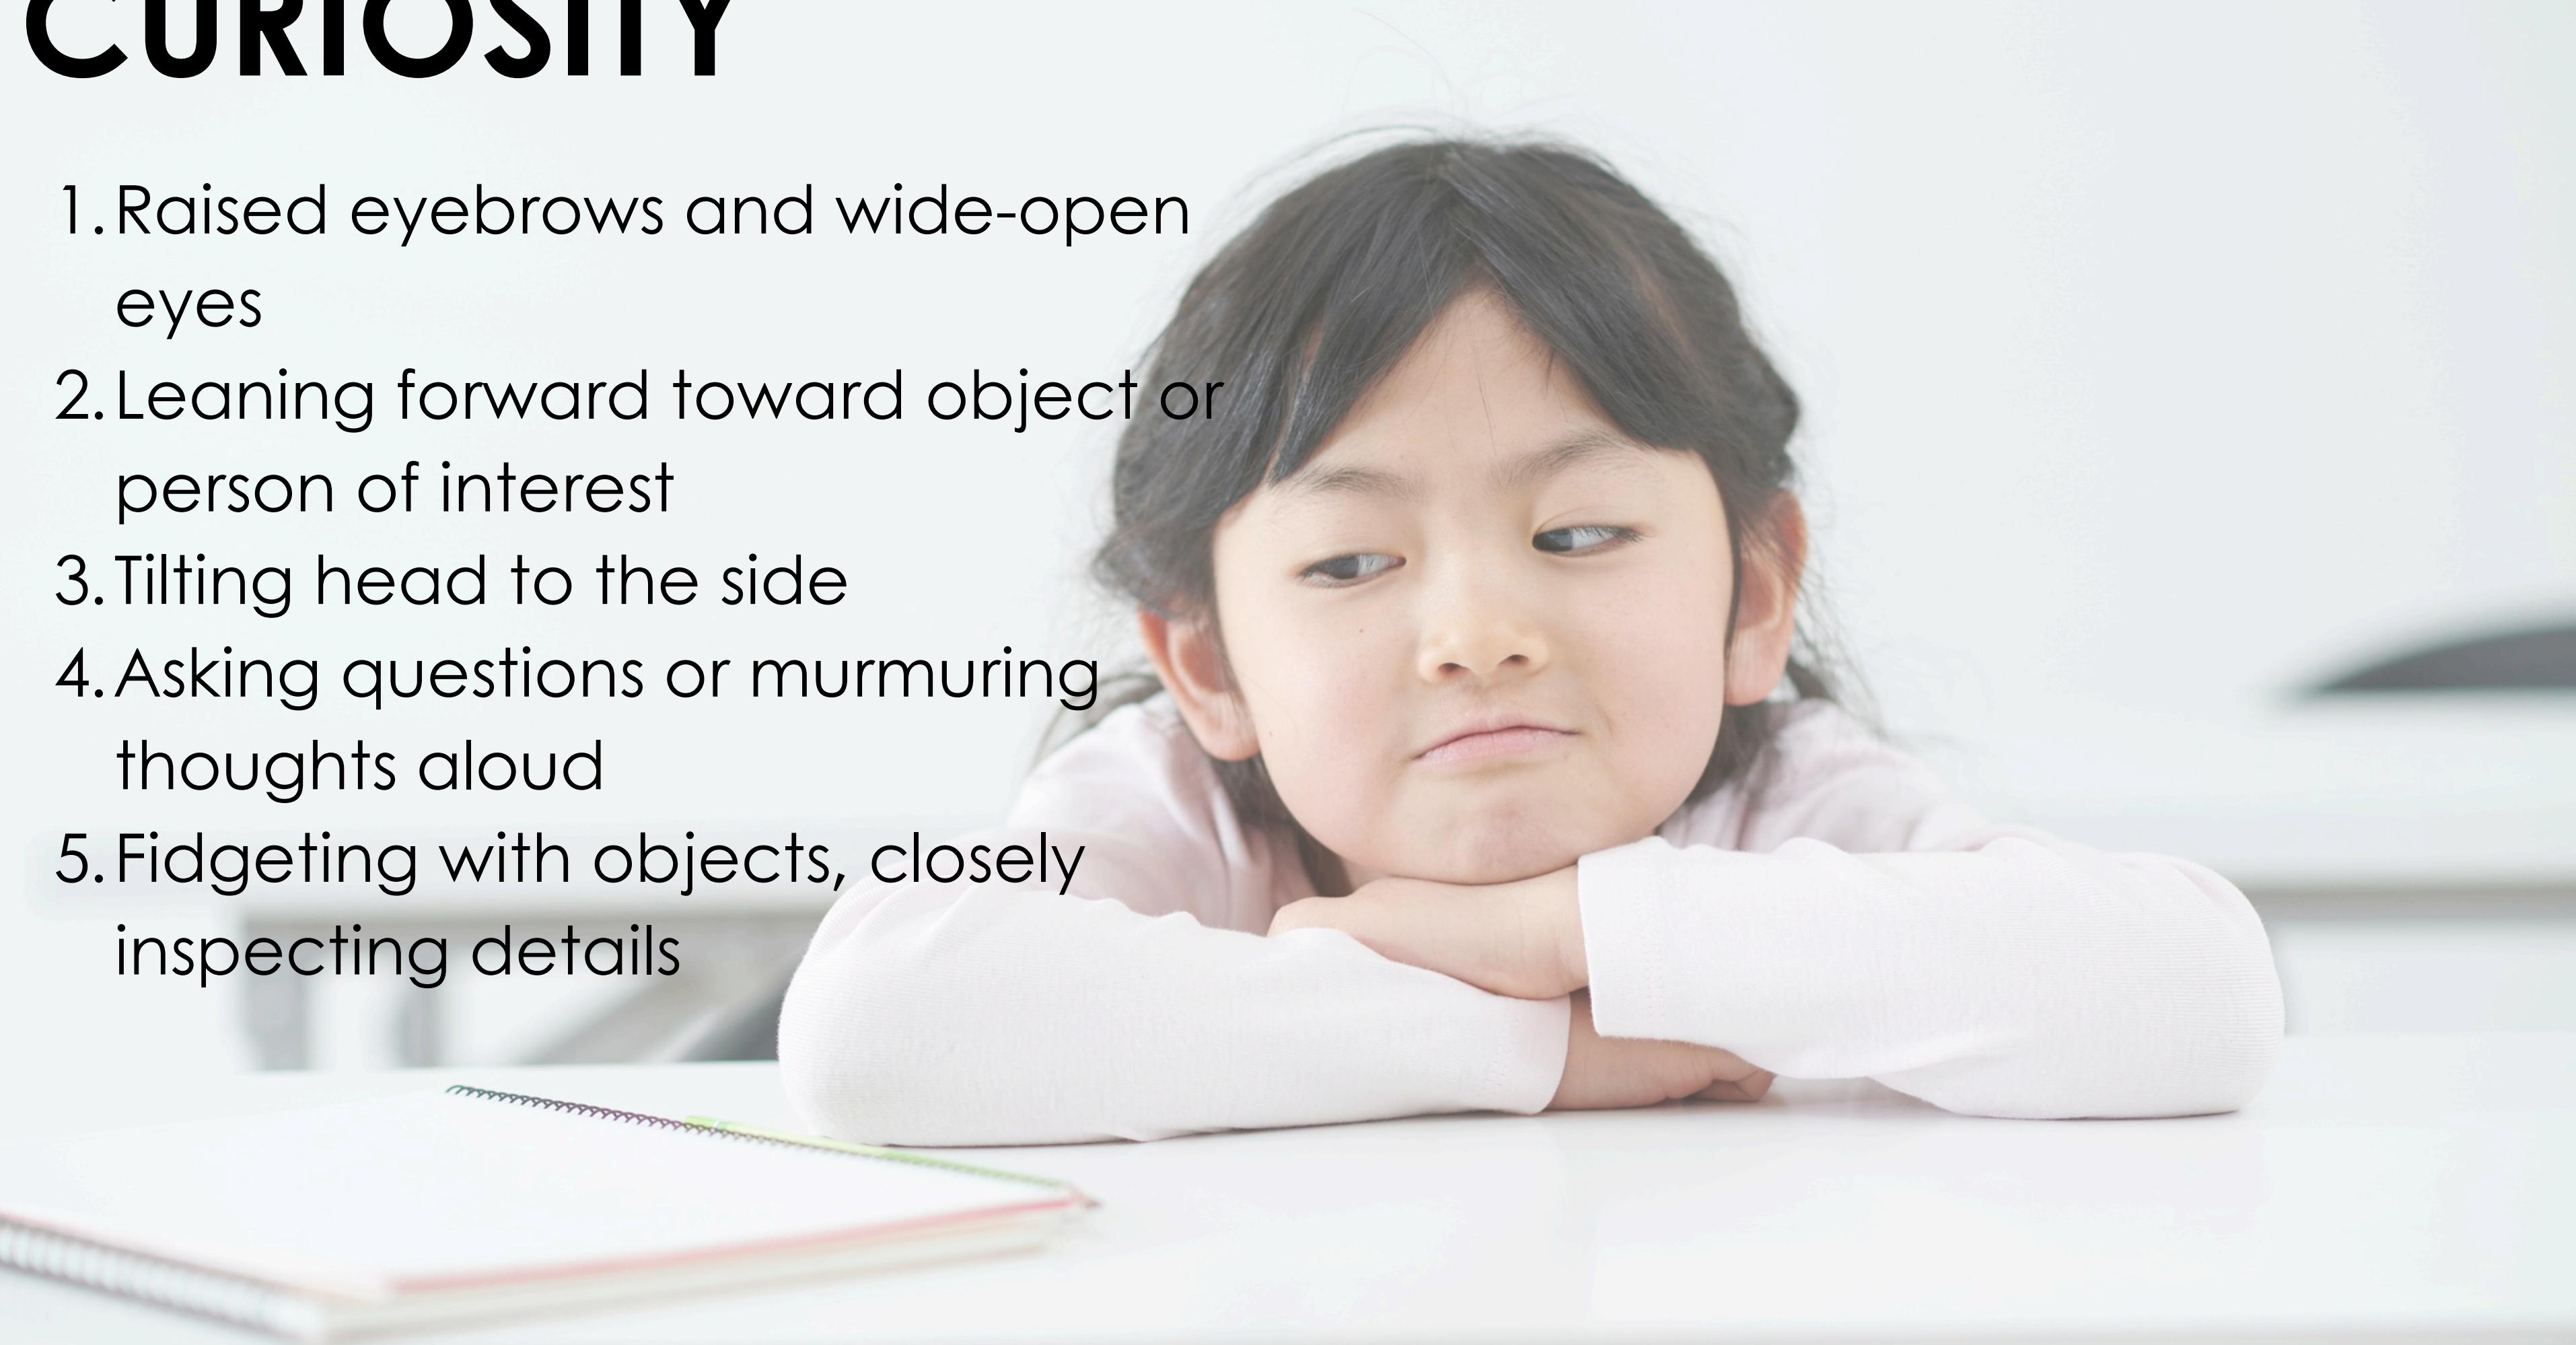

TIREDNESS

1. Yawning frequently
2. Drooping eyelids, rubbing eyes
3. Slouched or sluggish body posture
4. Slow reactions and minimal movement
5. Messy appearance or neglecting personal grooming

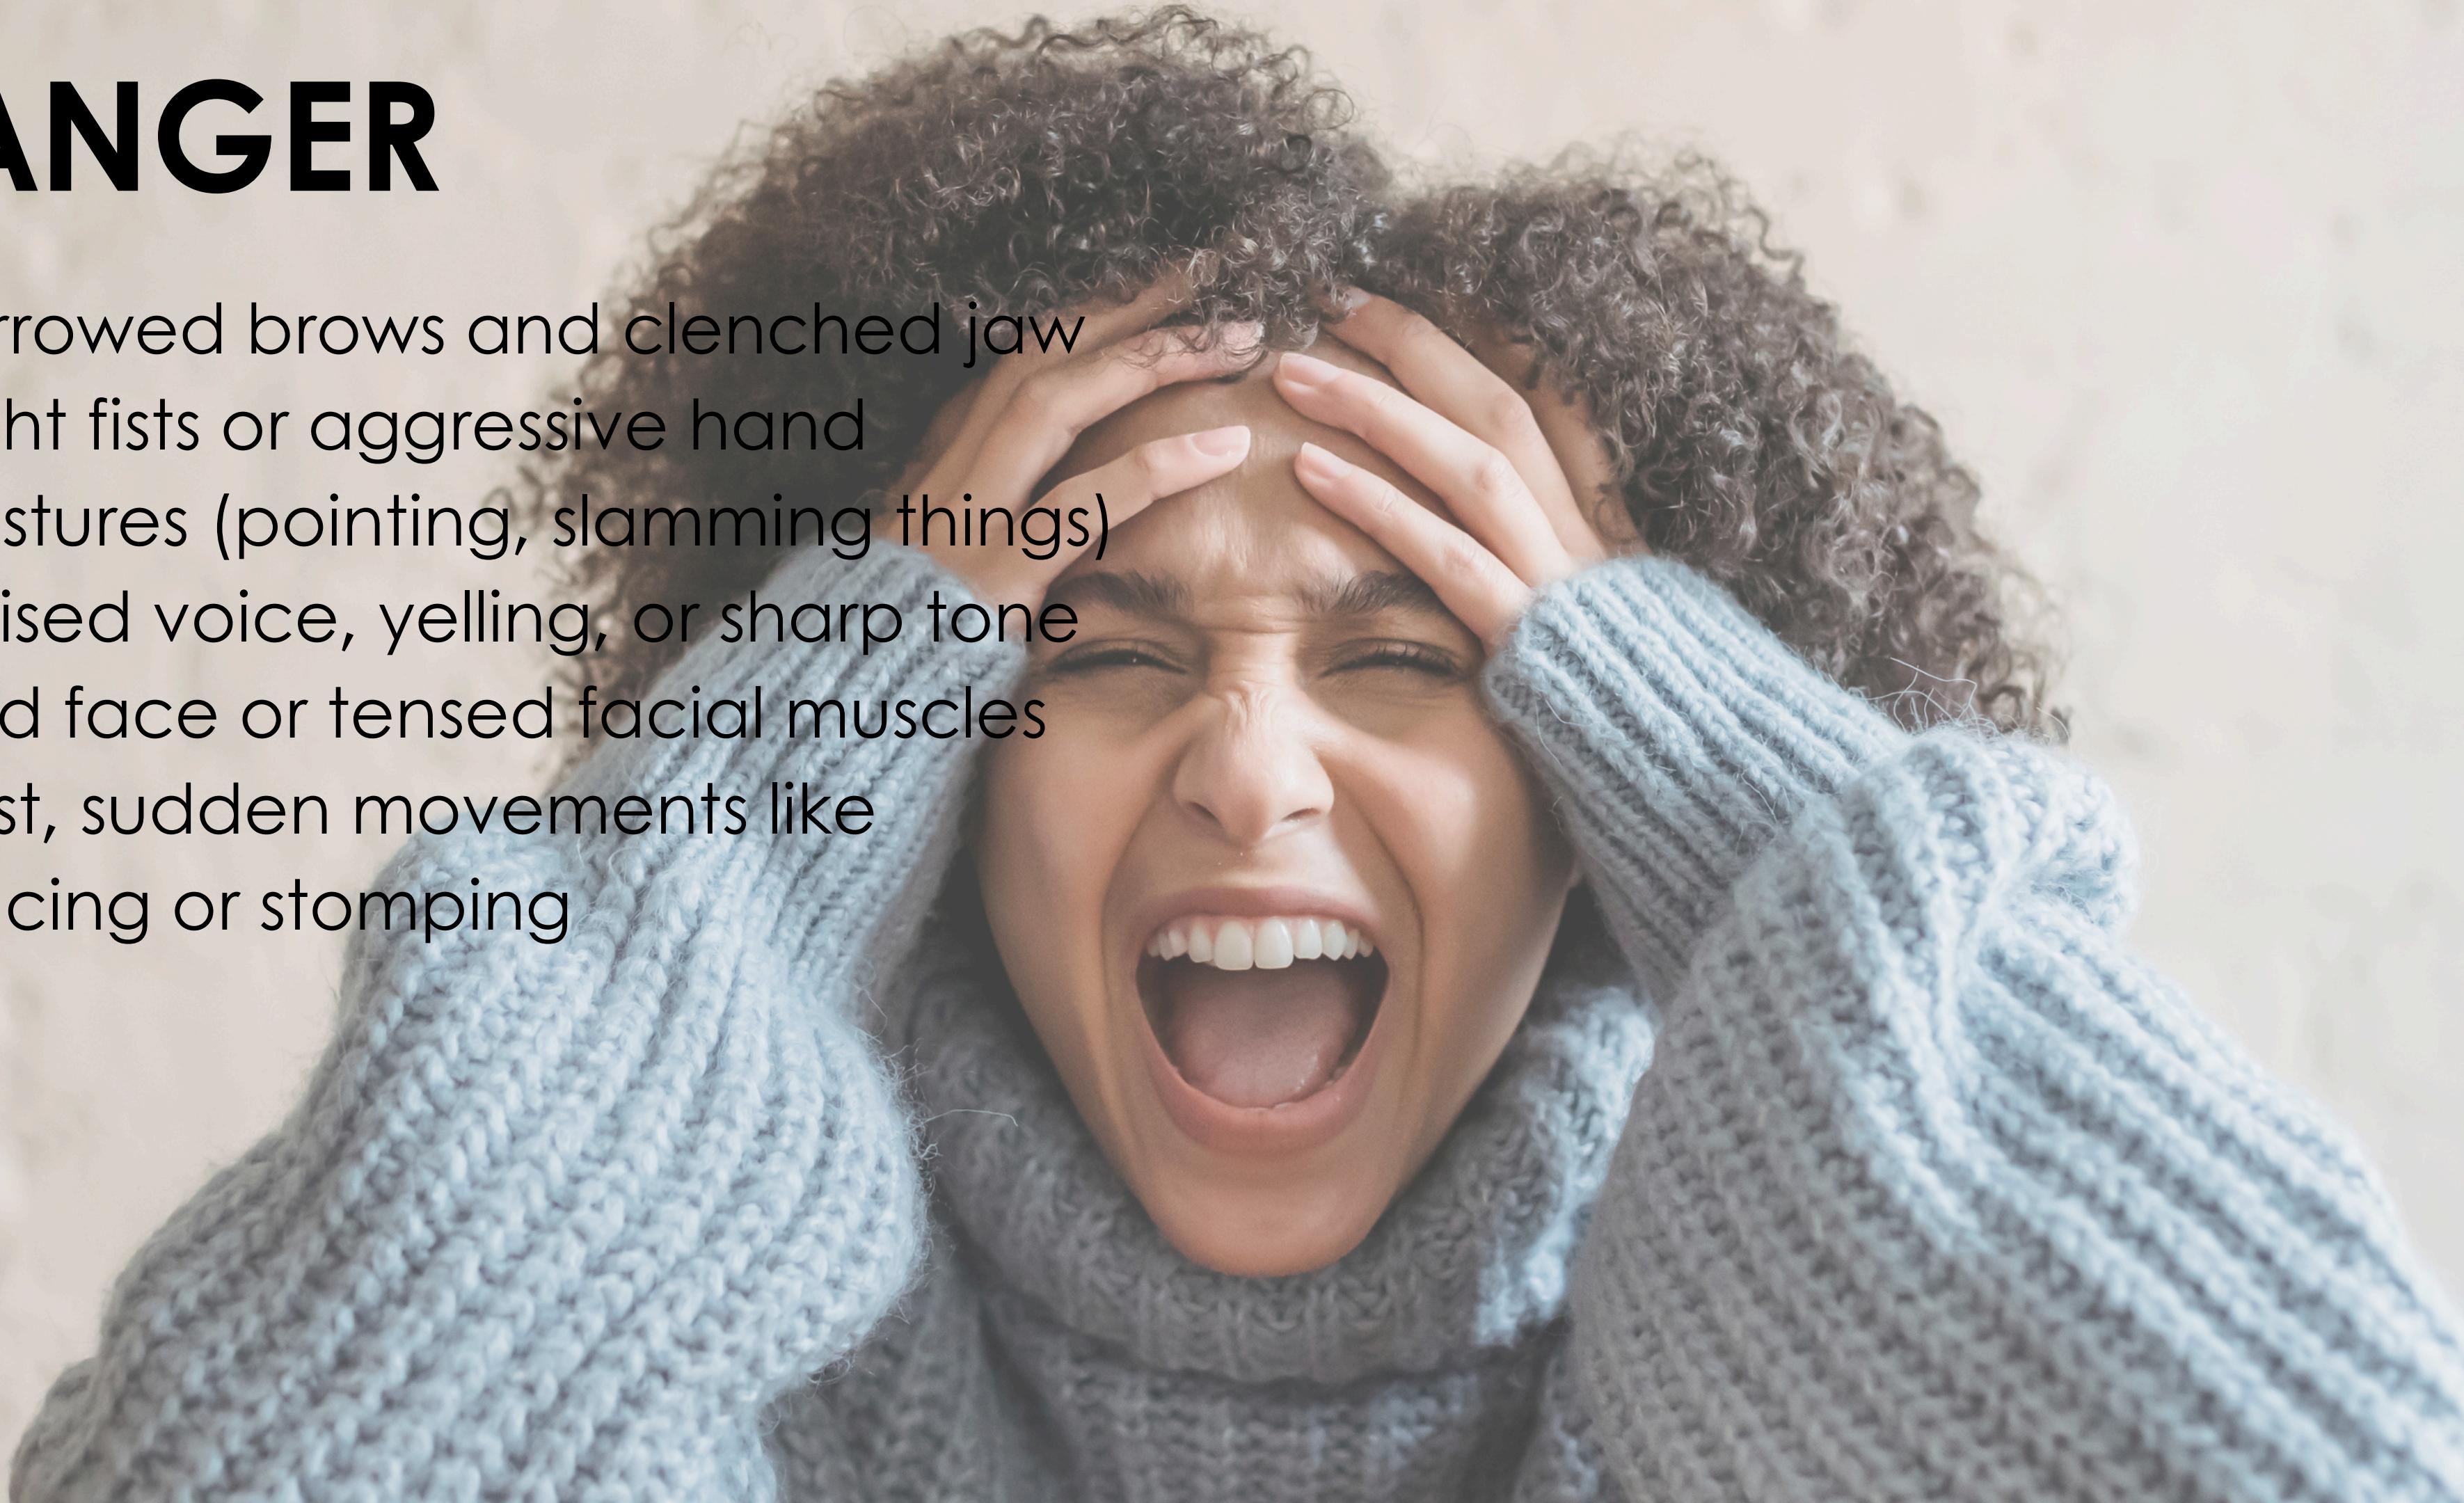

CURIOSITY

1. Raised eyebrows and wide-open eyes
2. Leaning forward toward object or person of interest
3. Tilting head to the side
4. Asking questions or murmuring thoughts aloud
5. Fidgeting with objects, closely inspecting details

ANGER

1. Furrowed brows and clenched jaw
2. Tight fists or aggressive hand gestures (pointing, slamming things)
3. Raised voice, yelling, or sharp tone
4. Red face or tensed facial muscles
5. Fast, sudden movements like pacing or stomping

ART STYEEES

DOODLE ART

1. Meaningful for: Spontaneity, creativity, rawness.
2. Look: Imperfect lines, whimsical drawings, sometimes animated.

DOT ART

1. Art made using vector graphics (lines, curves, shapes) rather than pixels, allowing infinite scaling.
2. Used in logos, posters, and digital illustrations.

PIXEL ART

1. Art created with individual pixels, giving a retro, blocky aesthetic.
2. Popular in video games (e.g., Super Mario, Undertale).

VECTOR ART

1. Art made using vector graphics (lines, curves, shapes) rather than pixels, allowing infinite scaling.
2. Used in logos, posters, and digital illustrations.

LOW POLY ART

1. Uses minimal polygons to create 3D models or images, giving a geometric and stylized look.
2. Seen in games like Monument Valley.

DIGITAL GAMES

The background features a collage of digital game scenes. On the left, a yellow and orange car drives across a grassy landscape with a brick wall and a large green tree. In the center, a red bird from the Angry Birds franchise stands on a grassy cliff edge, looking down at a yellow fruit falling towards a dark, jagged cliff face. To the right, another yellow fruit hangs from a vine above a small wooden structure with a tiled roof, surrounded by green trees and foliage.

Subway Surfers is a fast-paced endless runner game where players dash through railway tracks, dodging trains and obstacles while collecting coins and power-ups. The goal is to run as far as possible while being chased by a grumpy inspector and his dog. The game features vibrant graphics, different characters, and exciting hoverboards, making it highly addictive and fun.

Hill Climb Racing is a fun, physics-based driving game where players control a vehicle across hilly terrains. The objective is to drive as far as possible without flipping over or running out of fuel. Players can collect coins to upgrade their vehicles or unlock new ones. The simple controls, tricky landscapes, and vehicle variety make it highly entertaining.

Purple Place is a colorful computer game featuring three mini-games. In Comfy Cakes, players bake cakes by matching shapes, colors, and decorations. Purple Pairs is a memory-matching game with fun surprises. Purple Shop challenges players to guess the correct features of hidden characters.

Angry Birds is a physics-based puzzle game where players use a slingshot to launch birds at structures housing enemy pigs. The goal is to destroy all the pigs using a limited number of birds, each with unique abilities. With its creative level design, humorous animations, and addictive gameplay, Angry Birds became a worldwide mobile gaming sensation.

Candy Crush Saga is a popular match-three puzzle game where players swap candies to create matches.

Each level has unique goals like clearing jelly or collecting ingredients.

Boosters, daily rewards, and challenging levels keep players engaged.
